25X1 1. In response to the request of D/O/OSA, Ref 1, the undersigned requested [redacted] to develop a seat cushion containing a walk-around type sleeping bag that would be compatible with the IDEALIST life support system. [redacted] expertise they poss [redacted]. Two efforts were involved in this development; one for providing a [redacted] utilization and one for developing seat kit modifications and a [redacted] utilization. The latter effort involves a seat kit modification because of the larger sitting height of this category of pilots. The latter effort has not yet been completed.

25X1 2. An appropriate seat cushion has been developed for [redacted] usage and ATTACHMENT #1 is a proposal for these items. The proposal includes a description, delivery schedule and cost analysis. A total of [redacted] is required for 5 items, 4 of which would be located and used at Detachment H and one of which would be used during [redacted] flight training at Detachment G.

3. It is requested that approval be given to this proposal and that FY-68 funds be allocated to cover the required items. It is suggested that a separate contract be established with Rocket Jet under the IDEALIST pilots, salaries, environmental equipment in the FY-68 Budget. Establishing a separate contract will eliminate the unnecessary administrative expense involved with dealing through the
